

Alien Witness

This thrilling science-fiction fantasy follows investigator Scott Jones, whose discovery of an alien presence on earth leads him to believe that he may have been an abductee himself. Whether you believe in UFOs, alien abductions or are just curious about the paranormal, Carson Dane's intriguing sci-fi adventure, *Alien Witness*, takes the reader's beliefs, ideas and spirituality to the next level, allowing for a whole new perspective on life here, in outer space, and beyond. Woven through the book are anecdotal stories exploring consciousness, reincarnation, ghosts, out-of-body, and other paranormal experiences. The reader is likely to be challenged and inspired with thought-provoking information throughout. Has Dane stumbled upon things extraterrestrial life wants you to know? Beautifully and tightly written, *Alien Witness* is fascinating, spiritual, educational, entertaining, and not to be missed.
