

Squirrel and Oak: A Story of Hope

Squirrel and Oak: A Story of Hope is a journey into and through the bereavement process addressing a difficult topic in a gentle and inspiring way. Through the eyes of the narrator and Squirrel we experience the emotions and questions that are felt after the death of a loved one. Through the words of the wise Sun, Squirrel learns to accept the death of her Oak tree friend as both she and the Narrator move through the grief process to a place of peace and hope. It is a story that is relevant and pertinent for anyone at any age who has had to say goodbye to someone they love. Megan Prescott is an art and theater teacher who has inspired many hundreds of children in her twenty year career. After the separate deaths of her mother and brother at age 19, she has used art and writing as a healing tool with her own loss experience. Megan has been dedicated to creating opportunities for children and adults to express their most difficult emotions through the creative arts. In her book Squirrel and Oak: A Story of Hope, Megan comes full circle in her bereavement process and offers it as an inspiration to anyone who has experienced loss or who may be facing death themselves. May it bring some peace and hope to their heart.
