

The Stock Broker and Me: A BBW/BWWM Erotic Romantic Tale

Warning: This story contains explicit sexual scenes. It is intended for a mature audience only. Kathy Wayfield is shocked when her beloved Grandmother dies and leaves her all her money. As her family comes after her for the money, she is at a loss at what to do. She knows she needs help in managing her money and keeping it safe. She hopes that Daniel Pine will be the answer to her prayers. She never expected to be attracted to him. Daniel is sick of helping rich people get richer. When Kathy walks into his office, she is like a breath of fresh air. He finds himself wanting to help her out. That he wants to sleep with her adds to the equation. But can he keep his professional distance when all he wants to do is make her his?
