

A Cup of Comfort for Single Mothers: Stories that celebrate the women who do it all

Chauffeur. Chef. Referee. Confidante. Provider. As a single mother, you balance these roles and dozens more every day. Take a break with A Cup of Comfort for Single Mothers. In this empowering and bittersweet collection, you will meet single mothers who have created an unbreakable bond with their sons and daughters. From a woman who never misses one of her sons games -- despite being the only single mother in the stands -- to a new single mom whose three-year-old daughter provides comedic relief after a less-than ideal first date, these women will inspire and encourage you. Its never easy to raise children alone. But in this heartwarming volume, youll find inspiration and joy in the stories of fifty amazing women just like you-parenting on their own and doing it exceptionally well.
