

Little Blue Star - Book Three in the White Bird Series

Crystal Blue, the reluctant avatar in the White Bird series, sets off for the sacred Four Corners to meet with the Hopi. Still unconvinced of her shamanic powers, and without Wyndon, her protector who disappeared in Kauai, Crystal becomes vulnerable to dark energies following her. As a result, when she travels to a world mankind has left behind, the unthinkable happens. Only one can save her, but he, as she, has forgotten who he is.
