

Love and Leftovers

Romantic and bittersweet, *Love and Leftovers* captures one girl's experience with family, friends, and love. Dragged to New Hampshire for the summer, Marcie soon realizes that her mom has no plans for them to return to Marcie's father in Idaho. As Marcie starts at a new school, without her ragtag group of friends called the Leftovers, a new romance heats up, but she struggles to understand what love really means. Perfect for fans of romances like *Anna and the French Kiss* and those by Sarah Dessen as well as readers of poetry, *Love and Leftovers* is a beautiful and fresh take on love.
