

## Manifesting Intentions: Mastering the Energy Within

Manifesting Intention is a self help book that crosses many boundaries such as motivation inspirational, The Law of Cause and Effect, The Law of Attraction and how to create all that you desire with a spiritual inclination of who and what we are. You could say that its a combination of all the great works dealing with the Power of The Mind written in todays language that is easy to understand with a step by step procedure of how to accomplish and attract to you everything you ever wanted. Are you living the good life with Abundance, Love and Happiness? Or have you chosen a more challenging life with problems in many areas? All you have right now, you created and manifested into your reality, but how did you do that? Learn how to manifest and create the good instead of the bad. The answers are all within the pages of Manifesting Intention. A part of the Mastering The Energy Within series of books, by Frederick K. Vokey.
