

The Divine Relationship: An Eon Book

We are a servant of the divine. You also a servant of the divine. We only know a little more of what it means to be that, than the average person knows. All you need is to want to know what it means to be what one is. You have to have the desire to learn who one is through tools of spiritual progress. All of these things lead one to automatic reward. All truth is revealed only at the request of the hearer. No one can ever reveal any truth-no guide, no god, no anything-without your desire. The Divine Relationship is the culmination of years of spiritual teacher Eons talks and writings on the subjects of God, guidance, spirituality and our human relationship to all of these. Eon always brings the conversation back to the biggest picture of all: our divinity within our humanity. This book contains the heart and essence of Eons spiritual teachings.
