

Mortuary Beach (Monterey Shorts Book 1)

Actions portrayed in this story may not be conducive to safe diving practices. In Mark Angel's short story Mortuary Beach (first published in 2003 in the Monterey Shorts anthology) Jerry Wilcox and Spike Johnson were strong swimmers on their university swim team, but that didn't make them ideal SCUBA divers. They journeyed west to California's central coast to dive in the Monterey Bay area. Join them on their adventure and get to know the underwater world of Monterey and Carmel. You may also learn a thing or two about safe diving here.
