

AKURIAN METAPHYSICIANS HANDBOOK Volume II

Akurian Metaphysicians Handbook Volume II Akurian Metaphysicians Handbooks contain only True Spiritual Knowledge and The Most High, Himself, will Testify that each and every word, statement and claim herein is absolute, irrevocable, consistently verifiable and indisputable TRUTH (which isnt always pretty)! Seekers of Truth need only (1) properly prepare themselves, a matter of Mind and Spirit that costs nothing and takes only a minute; (2) divest themselves of all previous programming; and (3) not make ignorant preconceived determinations. If the Testimony of The Most High, Himself, isnt sufficient, what would be? That The Most High, Himself, will communicate directly with the individual is the ultimate achievement of all Seekers of Truth. It rattles all politicians, priests, preachers and other liars who teach that God once talked to various entities, but since has either lost the ability, the authority, or just cant find anybody qualified, except for themselves, of course. Lucifer sends Demons in all manner of disguises to such, but The Most High does not send anyone to any religion or government except victims as a Testimony against them. As result, there are very few verified two-way conversations between anybody and The Most High found anywhere including the Holy Bible, Quran and Bhagavad-Gita other than The ANOINTED, The ELECT, and The DAMNED! (available everywhere) and the Akurian Metaphysicians Handbook HOW TO Volumes. Even less is recorded about preparation for presenting ones self before The Most High, neither names of past assisting Entities nor the assistance provided. Akurian Metaphysicians Handbooks present first-person accounts and exact instructions of both to any and all who will know without question. Names of Power, Great Elements, Divine Winds,

Gates, High Divinity Seraphim and their High Demon counterparts, Archangels and Angels are all correctly named, called and directed, or bound and prevented, in proper order and procedure. These Entities, Forces and Energies work the same way for everybody who apply them properly.

Throughout the entirety of the Akurian Metaphysicians Handbooks, Words of The Most High are double quoted (). Every quote has been translated directly from Angelic, the Language of the Heavens, into English. Pronunciation is in brackets
