

## P.H.I.L.: Parents finding Hope and healing in Life...after the loss of a child

There is no one and nothing that can break the bond between a mother and her sons!

These are the words that Phil brought to me in the middle of the night. It will never cease to amaze me how my son still communicates from the other side. Its as if he knows just what I need, when I need it.

What are they trying to tell you? Is there really life after death? Do our souls really continue on? Perhaps, some of these questions and more will be answered for you here; in this is true story of one mothers journey through the most intense pain any parent has ever had to endureIts a journey through self-discovery, strength and courage.
