

Ponte las pilas (Spanish Edition)

Ponte las pilas no solamente es la historia personal de un hombre que aprendió a triunfar, es también el acto generoso de compartir una lección de vida que llevo a su autor, Carlos Marquez, a la consolidación económica a partir de su desarrollo pleno como hijo, hermano, amigo, padre y ser humano. Nacido en el seno de una familia de migrantes mexicanos en Los Angeles, Carlos creció con el resentimiento de la pobreza y el dolor de críticas de una sociedad a veces injusta e insensible, pero supo perdonar y alimentar una actitud positiva. Entonces descubrió el secreto para hacer que sus deseos se materializaran. Ahora, en este libro, Carlos pone ese secreto en tus manos a través de un libro forjado con honestidad, donde su protagonista revela un solo propósito: enseñar a los demás a que vivan su sueño y se conviertan, al fin, en verdaderos triunfadores.
