

Pooh and the Magicians

At the very heart of the Ancient Mysteries of the World sits the Great Bear, Winnie-the-Pooh. In astrology, where even a constellation bears the name of our Great Bear, in Alchemy, and in the deeper secrets of Hermetism, in Druidism, in the Qabalah and in the interpretation of Tarot, Winnie-the-Pooh is master of every branch of ancient lore. We can now proclaim that Pooh is not only a Bear of Enormous Brain, but also Supreme Magus of the Second Millennium.
