

Positive Thinking: The Easy Way to Success and Happiness

Do you yearn to be able to take a more positive outlook on life? Do you look around at other people, and wonder how they always seem to be so positive in their approach to life? Author Simon Jenkins will show you a set of easy-to-follow tips and tricks that will help you to improve your attitude to life, and face every challenge head on, safe in the knowledge that there will be only one winner! These top secret life hacks will help you develop the mindset necessary to change your life - your friends won't recognise the optimistic, pro-active person who will emerge at the end! Using a proven, step-by-step, simple formula, Jenkins will guide you through five easy-to-follow chapters that explain the benefits of positive thinking, and teach you how to appreciate your life and discard negative thoughts before they manage to dominate your outlook! Buy this book and take the first step towards a healthier life!
