

# Preparation for Death: Considerations on the Eternal Maxims: Death, Judgment, Hell, and Heaven

Brand new translation of St. Alphonsus Liguori, *Apparecchio alla Morte*, capturing the simplicity of the Italian, while using correct ecclesiastical vocabulary. It is annotated with copious notes, and comes with an extensive bibliography. This translation is a major improvement over others that have been published, as they are all based on the 1830 version. *Preparation for Death* delves into Church teaching on the four last things: death, judgment, hell and heaven. It is not a somber book. More than 250 years after it was written, St. Alphonsus speaks to us as a loving shepherd, wishing for the salvation of all. He shows us that death is a sunny topic, if properly viewed as a portal to eternity, and if we have the desire and the perseverance to lead a life ordered to the Will of God. He teaches us to prepare early for the blessed life to come, and shows us how. Striking in the absence of overt theologizing, but faithful to the teachings of Holy Mother Church, St. Alphonsus does not fail to emphasize that sin is evil, that man is stained, that his whole existence should be directed to-wards the glory of God. St. Alphonsus rarely makes abstractions, preferring to use ordinary, everyday vernacular, and employing similes to carry the weight of his arguments. In 36 pithy chapters, he stresses that the work of salvation is an individual act, in willing cooperation with Gods grace, aided by the Angels and Saints, especially Mary most holy, our Blessed Mother, on whom he calls for aid at the end of each of the 108 devotions and prayers.

**ABOUT THE AUTHOR** St. Alphonsus Liguori, 1696-1787, was an Italian priest from Naples, Bishop of Sant'Agata de Goti, and founder of the Congregation of the Most Holy Redeemer, C.Ss.R. Living during the turbulent times of the 18th century, he was celebrated for his asceticism, prolific writing, and tireless preaching and teaching. In 1871, Pope Pius

IX declared him a Doctor of the Church, and appropriately dubbed him the most zealous.
