

The Butterfly Tree: An Anthology of Black Writing from the Upper Midwest

A collection of poetry, prose, and images from black writers and artists of the upper Midwest. Initially released in 1985, New Rivers Press is re-releasing the collection as part of their e-book initiative. The Butterfly Tree won the Many Minnesotas Project #2. The Many Minnesotas Project has since been changed to the Many Voices Project, an annual literary competition for full length manuscripts in poetry and prose (both fiction and creative non-fiction are accepted). The winner of each category receives a \$1,000 prize and a publishing contract with New Rivers Press for the manuscript. New Rivers Press looks for new and emerging writers for the Many Voices Project.
