

Quilts Are Forever: A Patchwork Collection of Inspirational Stories

QUILTS -- PIECES OF FABRIC SEWN TOGETHER LIKE MOMENTS IN TIME, AS HANDMADE AS LIFE ITSELF

Every quilt has a story to tell, an endearing story that lasts forever. Whether it is a craft-fair find, a generations-old family heirloom, or an art collectors most prized piece, quilts warm our bodies and our hearts. Ever since pioneer women organized sewing circles to combat the harshness and isolation of the American West, women have turned to quilting to celebrate, share, and heal. In this heartwarming collection of inspirational stories, we see the celebrations, joys, and heartaches behind the stitches. One family lovingly pieces together a birthday present for their aging father, while a garage-sale quilt comes to symbolize the ties between a young man and his mother. Thirteen pre-Civil War ladies sew squares for their schoolmates wedding quilt, while a young boy adds his own square to the NAMES Project AIDS Memorial Quilt in honor of his father. No matter the circumstances, these stories deliver the spirit of quilting, friendship, and love with every word.
