

Olivias Conversion: A Slut in Seven Days

Barry wants his pretty prudish wife to open up and fulfill his expanding sexual fantasies. He takes his frustration to an online forum where he finds others who share the struggle of convincing a wife to broaden her sexuality. The advice he gets from Ellis works best, and his insight to a woman's psyche soon has Olivia admitting to her husband her secret curiosity about black men. That's when Ellis reveals that he is a black man and the planned seduction of Olivia begins, only Barry has no idea where Ellis wants to take it and how much ownership of herself she will give to Ellis.
