

## Retirement Reorientation: Short Stories and Tall Tales

THE BOOK: In Retirement Reorientation, Dr. Bynum makes another contribution to our understanding of human behavior and social problems. Based on his personal experience, the author responds to the above questions with common sense, practical sociological insights, spiritual applications, and occasionally seasoned with amusing observations. RETIREMENT REORIENTATION explains this stage of the human life course as a potential threshold to new friends and interesting enriching experiences. The book is now in your hands! This book is appropriate for all adult readers, but especially for those planning or experiencing retirement.
