

Ripped at the Seams (The Romantic Comedies)

There's a new fashion designer in town, and Fashion Dents have never been more in style! Sami Granger is fresh off the bus from the Midwest when some crazy person in the bus terminal warns her that life in New York City won't be what she always dreamed of. But Sami is determined to make it in an industry that is notoriously hard to break in to. Nothing she ever learned in her small town can prepare her for her first job working for a hot-shot designer: He steals her designs! Now the only place that will hire Sami is a trashy lingerie store that she's too embarrassed to tell her old-fashioned father about. Will a visit from her father land Sami on the catwalk, or out on the sidewalk?
