

## Are You Willing?: change is the price of progress (Volume 1)

You have a vision for your life. It is going to require some change on your part to make it a reality. Learn the lessons that I have learned without personal experience. You will be learning from the experiences of others and thus shortening your journey to becoming the person that can make your vision a reality. Change is the price of progress and the needed changes occur by choice. Your choice to read and apply what has taken me years to learn, will be time and money saving and spare you the frustration of not knowing what to do next. Life is lived on levels and arrived at in stages and for each level, there is a stage that one must go through. In your journey to become; these principles will assist you in avoiding many of pitfalls that await every would-be success seeking individual.
