

Clarita: A True Mysterious Love Story From The Past

Clarita is a love story based on true events. It takes place during the Great Depression in Corpus Christi, Texas in 1931. It is about a beautiful young girl whose love has been lost, hidden in the past, until over 80 years later when a relative decides to investigate what really happened to her. He is dismayed when he hears that she was about to be married when she died. The relative, who is the author of the story, starts feeling her pain, and some unusual things start to happen on his journey to discover what were the circumstances surrounding her death. He also tries to find out what happened to Gregorio, her eternal love.
