

Savior or Destroyer?: Is Christianity's Antichrist the Islamic Messiah?

What motivates young Muslim men to become suicide bombers? Why is there so much contention in the Middle East between the Arabs and the Jews? Is the Arabic name for God really Allah or is there a deeper meaning behind the deity that Muslims serve? The leader of Hamas has stated that Allah has raised him up in this hour to accomplish three tasks. How will this leader's fanatic Islamic belief affect the world? Savior or Destroyer answers these and other thought provoking questions about the Islamic faith and their convictions. Every person, whether Christian or not, should read this book to be informed in regards to the eschatological beliefs of Islam and Muslim terrorists. If there was one book that is a must read this year, Savior or Destroyer is that book. Muslims are preparing to receive their 12th Imam called al-Mahdi. To use Christian terminology, Islam is preparing to receive their Messiah. There's only one problem. The character of the Islamic Messiah mirrors the character of the Christian Antichrist. Coincidence? This book will help you to understand the end-time belief of Muslims, as well as give you a panoramic view into the minds of the terrorist.
