

The Adventures and Further Adventures of Captain Kettle (Halcyon Classics)

Captain Kettle is a most engaging scoundrel. Small, truculent, with a little red beard, he has a code of honour which causes him to stick at nothing in his employers interests, and is always pulling him up when he is on the point of making his own fortune. Ashore he goes regularly to chapel, loves Mrs. Kettle, and fears God. At sea he swears horribly, fears nothing, and is surprisingly handy with a revolver.

The Adventures of Captain Kettle A Master of Fortune (The Further Adventures of Captain Kettle) Charles John Cutcliffe Wright Hyne (1866-1944) was a British novelist of the late 19th and early 20th centuries. He was best known for his LOST CONTINENT: THE STORY OF THE ATLANTIS and Captain Kettle adventures.
