

Anne Farren, wife and mother of five, was diagnosed with breast cancer in the 1990s. While seemingly beating the odds, Anne was re-diagnosed in 1999, and the cancer had metastasized. Anne lost her battle in November 2000, leaving behind a husband, four sons and a daughter. This collection of raw, emotional poems reflects the sorrow and pain felt by her family as expressed by her second son.
