

Speculation as a Fine Art and Thoughts on Life

The guidebook for successful speculators as written by a successful speculator. Also contains Watts classic Thoughts on Life - short aphorisms of timeless wisdom. The original source for classic market wisdom such as: Make your theories fit your facts, not your facts your theories. Look after the principal; the interest will look after itself. If a speculation keeps you awake at night, sell down to the sleeping point This book is a must for any reader of classic investing wisdom.
