

Fearlessly Strutting In Your Confidence: 12 Keys To Unlocking Your Inner Confidence

Fearlessly Strutting In Your Confidence provides 12 powerful keys to greater confidence and life fulfillment through self-work, self-assessment, and a commitment to becoming a better version of who you already are. If you are done playing small, this book is just what you need to create a drastic shift in the direction of living a bigger, bolder life. The transformational content contained within sparks a flame that energizes you to fall in love with who you are at your core and to value yourself in spite of your faults, failures, and disappointments. Through a host of checklists, assessments, reflections, and decrees you will find yourself on a fast track to increased confidence and creating the reality you want. As you turn each page, you will be reminded of the need to shift your daily internal conversation, rise above your fears, and abandon the shackles that negatively bind you to your past.
