

Stalked by Spirits: True Tales of a Ghost Magnet

Shadowed by the supernatural since childhood, Vivian Campbell has encountered angry wraiths, mischievous child spirits, terrorizing demons, and all sorts of bizarre, unearthly beings. In *Stalked by Spirits*, Vivian relives these thrilling experiences. Over the years, she and her family have suffered violent phantom attacks, received small favors from a little girl ghost, negotiated with a demanding spirit, welcomed back a dearly departed pet, tolerated ghostly attendance at Girl Scout meetings, and even waged hair-raising battles with an evil entity threatening their baby daughter. Vivian takes you inside a variety of spirit-infested, often beautiful places, from a stone mansion in the Tennessee mountains to a century-old college dorm to the beloved Florida home that's been in her family for generations.
