

There comes a time in everyone's life when nothing seems to be going in our favor, we fail in our endeavors, we face conflicts, are let down, get hurt, have disturbed relationships etc. However, what sees us through each of these trying times is our attitude, that is what makes a huge difference! In these testing times, we need to approach life in a positive manner to turn every dream into a possibility with optimism and belief. Start by analyzing, recognizing, visualizing, mobilizing and energizing your possibilities, and then see them turning into realities. Condition yourself to say goodbye to failure and hello to success, and watch your dreams come true!! In this practical and empowering new book, Dr. Robert H. Schuller, the master of possibilities shows how to triumph over fear and the unsubstantiated pleas that keep us from success, fulfillment, and happiness. Here Dr. Schuller reveals that your dreams, no matter how impossible they may seem, are the seeds for your success. By weeding out the impossibilities with his checklist, you uproot all the negatives and see the possibilities bloom into positives.
