

## Pacific Southwest Region Geological Highway Map (Pvp (Series), V. 351.)

Learn more about the geological history of the rocks around you. These colorful, educational maps present state/regional surface rock outcrop information-age, depositional environment, rock type, and names of formations. Maps include major highways, towns, and landmarks. Printed on single sheets and folded to glove compartment size, each has a stratigraphic column by state, mileage charts, and many depict spots of interest such as fossil or mineral locations. Scale: 1 inch = 30 miles. Covers California and Nevada. American Association of Petroleum Geologists (AAPG) Founded in 1917, AAPG is the worlds largest professional geological society. AAPG is a pillar of the world-wide scientific community. Our books foster timely scientific research, advance the science of geology and promote the most efficient methods of energy exploration & processing technology and practices available today. Some of the areas we publish in include: Well Log Analysis Geological Modeling Carbonate Petrology Seismic Imaging Reservoir Characterization Regional Petroleum Analysis Tectonics and Sedimentation Stratigraphy
