

If you think the only logical response to bad Christianity is to leave Christianity completely, this book is for you. In an effort to help those who've been hurt by or turned off by negative religion, Martin Thielen explains that there is an alternative to abandoning religion: good religion. Thielen uses personal stories to illustrate the dangers of religion that is judgmental, anti-intellectual, and legalistic. While addressing the growth of the new atheism movement and the Nones (people that have no religious affiliation), this book argues that leaving religion is not practical, not helpful, and not necessary. Thielen provides counterparts to the characteristics of bad religion, explaining that good religion is grace-filled, promotes love and forgiveness, and is inclusive and hope-filled. Perfect for individual, group, or congregational study, a Leader's Guide and a Worship and Outreach Kit are also available to further the discussion and increase community involvement.

The Unknown LaCandon and Other Adventures of Lindsey and Mike, International Finance (The Chapman & Hall Series in Accounting & Finance), Extreme UFO Briefing Book -- For Your Eyes Only, A Practical Companion to Reservoir Stimulation, Hospitality, Food, Travel and Tourism (Just the Job!),
