

The Art Of Solving Lifes Little Problems: Discover How Reading This Book Can Rocket Your Self- Confidence And Programme Your Mind For Total Success In All Areas Of Your Life!

This book is intended as a Crash Course in How to Solve Lifes Little Problems Nikki Cooper is about to hand YOU the secrets to becoming a super quick problem- solver and trouble shooter. This is will ease the burden of stress in your life as you accept that problems are there to be tackled rather than feared every day. She will show you the art of problem solving rather than stew over things or let stress overtake you. In essence she will show you how to deal with lifes little challenges in a way you never thought of before! She is proud of this book it is based on her own personal experience by the time you have finished, you will understand problems and the creative problem solving process and understand how to implement solutions tailored to you. You will be able to see your challenges in a new light and have the confidence to address those issues that have been niggling you for weeks months or years.
