

Jesus the Savior: Introductory Theology Volume 2

This volume includes articles about different aspects of the life of Jesus Christ, including his Incarnation, birth, ministry, death, resurrection, ascension, and his return. In all cases, the purpose is our salvation, so it is fitting to title this volume Jesus the Savior. The articles were written over a span of some 20 years, but have all been recently edited for this printed volume and its companion Kindle version. Articles about theology in general, the Trinity, and the Holy Spirit are in volume 1. Volume 3 will discuss salvation and the church.
