

End-Time Bible Prophecy a Powerful Reason to Believe in God: Future Events Revealed in Advance

Prophecy is one of the most interesting and intriguing subjects in the Holy Bible. Jesus Christ fulfilled 100s of specific and detailed prophecies at his first coming and during his ministry on earth. The scriptures also give 100s of other detailed prophecies concerning the future second coming of Christ. The future of Christians and the future destiny of the world in-general are covered in these prophecies in amazing detail as well. This e-book (at approx. 10,043 words in length) looks at prophecies in regard to the Rapture and Second Coming of Christ, the Great Tribulation and Christs future rule of the governments of the world (Millennial Reign). Also included is discussion on the future re-creation of the earth and Gods future city, the New Jerusalem joining with earth, where God and his people will dwell together for eternity. Also included is discussion on why it makes sense to believe in God and in the Holy Bible as Gods inspired word to mankind. Jim Lowrance - the author has 20 years experience in Christian Youth Ministry and is a graduate of theological studies, Liberty University - 1996. The Chapters: CHAPTER ONE: The Rapture - Catching Away of Gods Saints CHAPTER TWO: Will the Rapture take place before, during or After the Great Tribulation? CHAPTER THREE: The Great Tribulation - Gods Wrath and Satans Temporary Reign CHAPTER FOUR: The Millennial Reign - When Christ comes back to Rule the World CHAPTER FIVE: Bible Prophecies of World-Changing Events CHAPTER SIX: Christianity-Physical Proof for Spiritual Belief CHAPTER SEVEN: Do We Create Our Own Realities about Life, God and Eternity? CHAPTER EIGHT: Mans Quest to Explain Consciousness and Existence CHAPTER NINE: Why it makes Sense to Believe in God
