

The Blessedness of Being Merciful

The Bible tells us the premium God places on mercy. God is very interested in interpersonal relationships. To God, if we do not love the people we see, we cannot truly love Him. A heart that loves God must also love man. God wants us to be good to one another. It is His delight. Many blessings are reserved for the one who is merciful. This book looks at how we can be merciful and in doing so receive mercy from God Himself in our various situations.
