It wns afterwards (aid, That Mr. bad not oiven An abfolute Refufal, and I Was blamed as having been the Author of that Report. I know not that I had ever u-fd thofe Terms; but had faid, That Mr. had refusd me Communion, or, was not fatisfyd, or, had given me his final Anfwer, or the like: Eut whether that Anfwer was not in reality an abfolute pofitive Refufal, let any one judge. When to the Reproach of being fo long excluded or fufpended from Chriflian Communion, u added the Charge of raifing Scandal upon a. worthy Divine, it could not be expected that I /hould be filent. I mujl own, the Treatment I have met with in this Affair hath born much harder upon me than the other If a warm People, jealous for Orthddoxy in Points which they had been taught to look upon as the very Foundation of Religion, did not think fit to have me for their Minifter, they might plead the Right they have to chufe their own Minijler; and I mujl bear it, whatever were the Difgraoe it might bring upon me in the Eyes of fome bigotted People, and whatever were, the Inconveniencies I might fuffer by it: But J had no Reafon to expert that their Rejecting me as a Mini ft er /hould be followed with the being difowned as a Chriftian, by one of the tnojt noted Minijlers in the City. If I might toot be allowed to preach, I might hope Jllil to partake partake in common with other Chrijlians of the Ordnances of the Gofpel. Here J think Right that is here represented as Matter of Fa?t, however Any of them nitty have forgot fame Things as I perceive fome fay they havei I do affure the Reader

there is no wilful Misrepresentation and, I may be pretty confident that there is no Material Mistake...
