

The Celestine Sword: The Into The Terratir Saga, Book Two

She found the perfect boyfriend in a land of wonder and enchantment. To find him again, Lauren Marriott is going back to the mysterious world of Terratir, but instead of being a dream come true, it turns into a nightmare of demonic proportions. Zach Marriott will now take his rightful place as the last and only Ancient in the land of Terratir or so he thinks. One crisis after another threatens to distract him. Will he be able to save himself, let alone the magical realm he has come to love? Lauren and Zach are once again immersed in the perilous world of the Warlord, only this time, the Warlord isn't the problem. Something worse awaits them? something terrifying and indestructible. They must make a choice slay their most-beloved friend or risk the destruction of the world of Terratir by a monster made flesh.
