

The College of Hip Hop (Gain Knowledge and Understanding of the Arts and Entertainment Business) “A Cultural Institution” Over the past decades the only thing that has remained consistent in the arts and entertainment industry is the business aspect. The purpose of www.TheCollegeOfHipHop.Org is to teach the business aspect of arts and entertainment to aspiring talent and CEO’s. The knowledge gained from becoming a paid subscriber will empower the CEO’s and talent to understand and value the arts and entertainment industry more. The College Of Hip Hop.Org is the premier on-line learning institution, which uses dynamic seminars to educate our students on key elements of the arts and entertainment business. You will learn such fundamentals as how to start a publishing company, copyright and encode your music, in addition to vocal training and choreography along with other industry-related topics. The co founders of The College Of Hip Hop.org (Antoine & Santoine Jackson) are providing you the first 10 Steps To Profit From Your Passion. Upon reading these steps and applying them to your passion along with focus, dedication and hard work, you too will learn how to profit from your passion.
