

## The Electric Church (Avery Cates)

Time is your curse. Lack of time. Everything requires time, and you have so little. This leads me to the fundamental question the Electric Church poses: How can you be saved when you have no time?

Avery Cates is a very bad man. Some might call him a criminal. He might even be a killer-for the right price. But right now, Avery Cates is scared. Hes up against the Monks-cyborgs with human brains, enhanced robotic bodies, and a small arsenal of advanced weaponry. Their mission is to convert anyone and everyone to the Electric Church. But there is just one snag: Conversion means death.
