

The European Union: Annual Review 2003 / 2004 (Journal of Common Market Studies)

The Annual Review, produced in association with JCMS, The Journal of Common Market Studies, covers the key developments in the European Union, its member states, and acceding and/or applicant countries in 2003/2004. It contains key analytical articles on political, economic and legal issues in the EU by leading experts, together with a keynote article. Covers the key developments in the European Union and its Member States in 2003/2004. Contains analytical articles on key political, economic and legal issues in the EU by leading experts, together with a keynote article. The Review is the most up-to-date and authoritative source of information for those engaged in teaching and research or who are simply interested in the European Union. Includes an invaluable guide to EU documents and publications - and the various websites of the EU - together with a chronology of key events, and a list of all the books submitted to the Journal of Common Market Studies for review.
