

Absolutely!: Can we know whats right & wrong?

Can We Know Whats Right & Wrong? ABSOLUTELY! Everything's relative. Absolutes don't exist anymore, many of today's loudest and most influential voices tell us. Issues of right and wrong have disappeared from most agendas because they are irrelevant to our pursuit of happiness, comfort, and pleasure. Or are they? Does anyone dare admit to a gnawing down in the corner of his or her soul, an unsatisfied hunger for guidelines to live by, an assist through the maze of choices? During his years of life in Israel, Jesus had plenty to say about how we should live. Some of his friends wrote down what he said and millions of people around the world use the absolutes he gave us to light their paths, to displace their fears, and to fuel their hope. Within these pages are eight absolutes straight from the teachings of the Master. As you study them you'll discover how relevant they are as you face the twenty-first century. You'll also learn how to dig out more on your own.
