

The Familiar

On a day that should have been just like any other, 16 year-old Hazel Smith wakes up naked, disoriented, and bleeding on an unfamiliar kitchen floor. So begins a jolting series of bizarre events that lead Hazel to uncover her family's mystical secret that will change her world forever. The young familiar is summoned to a unique camp hidden deep in the forest to harness her newfound ability of shape-shifting into animal form. Camp Chameleon instantly offers welcoming friends, intriguing counselors, and a series of challenging activities that help Hazel to grasp her powerful gift. However, when the camp is suddenly threatened by age-old dark forces, Hazel must embrace her evolving power and finally follow in her mother's legendary footsteps.
