

The Flame Within: Keepers Garden Trilogy, Book One

The royal seat of Keepers Garden has been usurped through assassination and the loose confederation of city-states within its borders is crumbling. After months of conflict, the Liberation and Imperials have emerged as the two major contenders for the throne. But as one battle draws to a climax, another, darker cloud looms on the horizon. The Flame Within follows Spirit Knight Aralon Mittel, part of a select elite of the soldiery trained in magic and the sword since late childhood. Yet Aralon is less known for his personal achievements than he is for being the younger brother of the missing Hyval Mittel, the Gardens greatest Spirit Knight. Aralon is accompanied by Darvin Hegg, his former instructor and now his second officer, and Kiyana Irhan, a Mist Elf from beyond the reaches of the Garden. Join them as they attempt to end the Gardens civil war and are propelled into a conflict more profound than any had ever imagined
