

The Glory of Christ

In *The Glory of Christ* Peter Lewis skillfully sets today's critical questions concerning Christ against the glorious backdrop of the goal of humanity and the sovereignty of God. With warmth and insight he considers what Christ claimed for Himself and what the early church claimed about him. He also gives close biblical and practical attention to Christ's atonement, exaltation and second coming. This book is a towering offering of pastoral scholarship which will richly repay careful study by Christians the world over.
