

## The God Diagnosis: Russian Edition

The God Diagnosis is the unique journey of a successful surgeon who finds the fulfillment of all his life dreams empty, lonely, and depressing. Embarking on a quest for truth and the answers to life's basic questions, Dr. Viehman finds himself at the epicenter of the most mind-blowing diagnosis of his life. In a riveting journey through investigation, testing, and personal struggles, Dr. Viehman recounts his journey from death to life in a way that will resonate with anyone seeking the facts and examining the evidence for themselves. Dr. Viehman uses his medical mind to come at these issues in a profound way that is striking, refreshing, and fascinating. He is vulnerable, transparent, and has the utmost integrity as he sorts out fact from fantasy. This new author is exciting, enjoyable to read, and intriguing in his unique approach to this topic. I believe we will hear much more from him, and it will shake up many long-held beliefs about Christ, Christians, and the Church. Preview the powerful video book trailer on the Author's Amazon Page.
