

The Golden Formula: Use Divine Principles to Harvest More Happiness, Prosperity, and Joy in Your Life

Use Divine principles to harvest more happiness, prosperity, and joy in your life. Learn how spiritual principles underlie all of life and are equations, formulas, and mathematical measurers of cause and effect. By considering the observations within these pages - gathered from clergy, teachers, historical leaders, motivational speakers, newspaper columnists, bestselling authors, and therapists from around the world - you will become aware of the importance of a golden formula and discover how you can apply its wisdom to your own life in order to fill it with the blessings of love, peace, and plenty. By beginning from the inner places within your own heart, you can - and will - change your outer world and become rich in all that really matters in the end. Each of us has equal access to the choices that set these powers into motion for our good. The Golden Formula is an enlightening collection of inspiration quotations powerful true stories, and practical essays providing specific guidance for giving to others and achieving deeper meaning in ones own life as a result. Readers of all faiths and beliefs will embrace this basic, sound philosophy and the practical suggestions shared by which they can carry out this rich calling to create a better world around them.
