

# I Dont Know What Im Doing Here

I Dont Know What Im Doing Here is a collection of essays for every person out there who feels like theyre never going to fall in love or theyre never going to be happy or theyre just not sure that theyll ever get their life together. It answers questions like, When are you supposed to drop the what are we bomb? and Whats the difference between being happy and being happier than someone else? And, perhaps most importantly, Why do womens menstrual cycles sync up? Its for anybody out there whos just feeling a little bit lost and needs to be reminded that none of us actually has any clue what were doing here.
