

The Human Touch: Seven Personal Qualities You Must Possess for Professional Success

Shannon Dolan sees the same issues come up time and time again in her work as a professional trainer-whether its a new hire or a Ceo. By studying the seven qualities she outlines in this guidebook to professional success, youll be on your way to overcoming those problems. In the process, youll learn how to understand your character and personality, take steps to create a personal brand, and become a person that others admire and follow. By recognizing the unique skills and qualities you bring to the table-and making them known-youll be equipped to focus on strengths and fix shortcomings. Filled with exercises, tips, and techniques to develop and enhance critical skills, the guidebook includes positive affirmations to keep you on course. By saying the affirmations aloud and mentally repeating them, youll start believing in your own success. Follow in the footsteps of the thousands of professionals who have accomplished their personal and professional goals by mastering The Human Touch. Expertise in your field will only get you so far - if you truly want to be a star performer, you must connect with people on a human level. This comes more easily to some than others. Fortunately, Shannon Dolan has provided an invaluable guide for enhancing your communication skills, leadership presence, and overall confidence! - Marshall Goldsmith author of the New York Times and global bestseller What Got You Here Wont Get You There
