

## The Interior Castle (Illustrated)

A Classic Includes Active Table of Contents Includes Religious Illustrations AMONG the things which I have been commanded to do under obedience, few have proved so difficult to me as writing at present something on prayer; and this for two reasons, because it seems to me our Lord does not give me spirit, nor a desire to write, and also because I have had, for the last three months, such a noise in my head, attended with extreme weakness, that I write with pain, even on necessary business. But knowing the power of obedience, which makes things easy that seem impossible, my will is determined to undertake the work very cheerfully, though nature seems exceedingly averse to it, because our Lord has not given me such virtue that I should be able to accomplish the task, considering how I have to endure continual sickness, and how many different employments occupy my time, without great resistance on the part of nature. May he be pleased to accomplish the work, who has performed other more difficult things for me; in His mercy I trust. Aeterna Press
