

## The Busy Messiah (Visions of the Life of Jesus Christ Book 3)

This is the third book in a series of Jesus life and is a composite of visions and the bible put together. The story covers the second part of Jesus ministry. The material comes mainly from the visions of Anna Katharina Emmerich, a nineteenth-century German nun, (1774-1824). This vision was used to make the famous movie the Passion of the Christ. Scenes beyond the Grave, by Gordon Lindsay, of Christ of the Nations, contributes some material in the visions of Marietta Davis d 1849. God Calling by A.J.Russell in which Jesus spoke for a year to two anonymous English women, in the early 1930s gives more insight. These are joined by the gospels of Mathew, Mark, Luke and John.
